

## JOIN US IN TORONTO

2023 Spring Meeting

### Get Informed, Get Inspired

Leading industry experts discuss critical industry-pressing topics.

You'll hear from leading industry experts over the course of 30+ sessions exploring the latest trends shaping the real estate market. From new technology and changing consumer demands to shifting economic conditions and government policies, you'll get a comprehensive overview of what's happening in the world of real estate.

**Housing Attainability**  
**Sustainability**  
**Placemaking**  
**Diversity, Equity, and Inclusion**

**Emerging Trends**  
**Capital Markets**  
**Economic Development**  
**CRE**

### Connect, Collaborate, Create.

Network with thousands of global real estate professionals.

Attendees have exclusive access to activities including networking breaks and lunches; welcome and closing receptions, interactive demonstrations of Knowledge Finder, Member Directory, and Navigator; complimentary professional headshots; short presentations; and program meet and greets. Stop by the DEI and Program Showcase areas; peruse the ULI Bookstore; pick up the Spring issue of *Urban Land* magazine; or explore the latest ULI research reports.

### Exclusive Tours to Top Toronto Developments

Explore 30 of Toronto's most innovative projects.

As part of the Spring Meeting, you'll have the chance to go behind the scenes of innovative Toronto developments and learn from the project managers, the trials and triumphs in bringing these developments to life. From skyscrapers to the suburbs, every niche in real estate will be explored and examined.

### Continuing Education Credits Available

20+ eligible concurrent sessions, 15+ eligible tours, 4+ eligible forums
